Owl Club

Although we try to help parents and families by providing a before and after school club, we cannot effect the wider school by making financial losses. We have already attempted to increase our support by expanding the opening hours. However, users of the Owl Club are asked to carefully read the terms and conditions on the back of the booking form. If a booking is cancelled on the same day as care is to be provided then we have to charge as staff have been employed. Similarly we do not accept on the day bookings and would advise giving as much notice as possible to avoid disappointment. This is because Owl Club is increasingly popular and our numbers are strictly limited to comply with law and fire regulations. Late pick ups after 6pm will incur a £10 fine to cover staff and caretaking costs as the building should be locked up. Our terms and conditions are far more family friendly than other out of school clubs where they require you to book for the academic year with no flexibility and to give 4 weeks notice if care is no longer required.
