

The George Spicer Primary School Curriculum

Our school values and the UNCRC

Local, national and global community

Global and environmental learning

Practical, engaging experiences indoors and outside

Topic based enquiry and investigation

Opportunities to explore interests and aptitudes

Growing Kim and Georgie through our Curriculum.
Our pupils will acquire the skills, attributes and knowledge to equip them for life in the 21st century.

Respect
to treat others well.

Responsibility
to do the right thing

Perseverance
to keep on trying.

**Co-operate
and
collaborate**
to be a team player

An enquiring mind
to question and learn

Confidence
to present arguments
and ideas
