

Dalton St Michael's C.E. Primary School

Newsletter 21

July 1st 2016

On Tuesday Year six went to the Leaver's Service at Liverpool Cathedral. We were able to tour the Cathedral and take time for the children to choose their legacy gift for Dalton St Michael's.

A group of our children represented our school in an inter-school Quiz at Burscough Priory on Wednesday evening.

The 'Race for Life' event took place on Thursday afternoon. The children were thrilled to receive medals for their race. A typical comment was... 'It was awesome'. Please send any sponsorship money into school by next Friday. Thank you.

This morning a group of children from Belarus joined our children for a sports lesson. All the children enjoyed their experience and communicated well through the medium of sport. We hope they are able to visit our school again next year.

Next week the children will be having some lessons in their new classrooms with their teachers for next year. This really helps to prepare the children for the next academic year.

Please note: After-school football on Tuesday evenings has been cancelled until after the summer holiday.

Stars of the Week

Reception: **Ellis** for working well in the group on 'Scratch Junior'

Year one: **Finley** for working methodically in Maths to work out the ice-cream combinations

Year two: **Sophie** for a super poem on the 'Type Drawing APP'

Year three: **Ella** for her fantastic fractions work

Year four: **Izzy** for her super effort and progress in tennis

Year five: **Callum** for an excellent effort at the Splash diving event

Year six: **Charlotte** for consistent focus and application in lessons

Attendance

Class 3 with 98.33%
