

Friends of Bishopstone School
FUN-raising!

bishopstoneschoolpta@gmail.com

Friends of Bishopstone School (FOBS)
(Closed Group)

Dear parents,

Welcome to Bishopstone School!

Here is a little bit more information to add to the piles you no doubt have already!

Friends of Bishopstone School (FOBS) is a voluntary group which raises funds throughout the school year to support school resources and activities. In the past year we have raised over £1000 - we need to build on this for our children to continue to enjoy future trips and activities beyond which the school budget can afford.

So whether you are the kind of person who likes to organise and delegate, or someone who can help a little here and there, then your support is always welcome.

We try to have meetings at different times of the day to suit the varied commitments we all have and include as many people as possible.

Dates for your diary

Monday 5th September Meet & greet cuppa Village Hall 9am

A chance to wipe away those tears (of joy or sadness!) and meet some friendly faces after the school morning drop-off

Friday 16th September First FOBS Meeting School 3.15pm

Come along to hear about plans to help ***FUN-raise*** for the coming year. Let us know how much you might like to be involved - all help welcome!

We hope you and your child(ren) settle in well. We look forward to meeting you.

FOBS (Karen, Belinda, Tina, Helen & friends)
