EXTENDED FREE CHILDCARE ENTITLEMENT

An on line parent survey has been launched today to seek parent's views on the 30 hour extended free childcare entitlement. We need all schools and childcare providers to promote the online survey to as many parents of 0-4 year olds as possible.

The **extended free childcare entitlement** for working parents of three and four-year-olds will provide eligible parents with a total of 30 hours of free childcare per week from September 17.

The DfE requires feedback from Bradford LA on the response to the online survey and we will be using responses to inform planning.

Please promote this online survey as widely as possible and encourage parents to complete.
