**Letter for parents and carers of children currently in Year 2, moving into Year 3 in September 2016.**

Dear parents and carers of children currently in Year 2.

After much careful thought and planning, we have made the decision to bring together all the children and create one Year 3 class. In Key Stage 2, we are not limited to class sizes of 30 (as we are in Key Stage 1) and we believe that having the 31 children together will be the best arrangement for all of them.

Their teacher will be Mr Treble and he is very much looking forward to working with them.

The children have had many opportunities to work together as a year group this year (many of them being together at Cuffley Camp last week) and we are confident the children will thrive together. We have planned carefully to ensure the transition into Year 3 (and Key Stage 2) will be a successful one and the children will also be familiar with the teaching assistant (Mrs Sarah Stroomer) who will be working with the class.

We anticipate that you will be really pleased that we are able to bring the children together for Year 3. Should you wish to discuss this further, please make an appointment to meet with Mrs Roberts, Mrs Gill or myself.
