Dear Parent / Carer,

**We've teamed up with School Angel, a charity to help raise money for your child's school.**

We've found what we hope proves to be a brilliant way of raising money for your child's school. All you have to do is use the School Angel website when you do your usual online shopping.

School Angel is a new charity which will help Woodbank Primary to raise money, along with many other schools in the UK. We will spend the money on helping your child get the most out of school.

**Lots of big brands and it won't cost you a penny more.**

School Angel works with lots of big brands which have agreed to donate a portion of the profit they make on your shopping to our school. All you have to do is use the School Angel website to visit the online shop of your favourite brands. You are guaranteed to only pay exactly the same price, for whatever you buy, but our school will also receive a donation.

**It's so easy to use – no login, no password, no junk mail.**

School Angel is really easy to use and our school has its own charity page set up and ready to go!

Type this link into your browser and once on the School Angel page all you need to do is click on the logo for whatever shop you would like to visit. School Angel does not need you to ever create an account or login, there are no passwords to remember and they will never trouble you with any junk mail.

**The more we use School Angel, the more money we will raise for our school. Tell your friends!**

We are really excited that School Angel can help our school raise lots of money which we want to use for buying a new school shelter. So please remember to use the School Angel site when you shop online and ask your friends and relatives to support us too!

As we approach the Summer holidays we hope that our staff, you, your friends and family will visit this website prior to your purchases.

**Many thanks for your ongoing support. Every purchase you make will really make a difference.**
