30th August 2016

Welcome Back

All the children have come back to school in a really positive manner and we have all had a lovely day.

As you will have seen, the building work has started in earnest and whilst this is exciting, it also requires us all to make some changes as follows:

Please note until further notice

- Years 4 and 6 should enter and exit via the door by the bell tower
- Year 5 will be dropped off and collected from the mobiles. Please note the gate is on a timer and therefore any children who are late will need to come to the office.
- Year 3 will continue to come to the back of the school, opposite the infant school
- All other perimeter gates will open automatically from 15:15.

We aim for all building work to be finalised by Easter 2017.

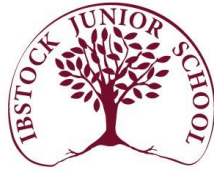

It has also come to my attention that a number of children have returned to school with inappropriate jewellery. Please remember that jewellery is not worn in school except for small, metal stud earrings. Further information will follow.

Many children are wearing the new uniform which looks super.

Finally, please remember that on Friday children need to dress in their class theme outfits: children come in normal uniform and dress up in the afternoon.

We are looking forward to another A.C.E. Year.

Mr Lewin
