June 2016

Condover C.E Primary School 100 club

After the success of last year's 100 club the Governors of Condover school have decided once again to run the scheme as a way of raising funds to be used for the benefit of all the children at the school.

Entry to the 100 club costs £1 per month and this would allow entry to the monthly draw which will take place at school and witnessed by an independent visitor. There will be one prize of £50 each month. The 100 club will run for one year and to remove the administrative burden of collecting the cash/cheques participants are asked to contribute £12 (£1 per month for 12 draws).

The winner will be notified automatically. The winning number will be published each month on the website. The 100 club will start with the first draw in July 2016.

If you would like to help the school and—hopefully—be a happy recipient of an unexpected cash prize during the course of the year, please complete the application form with this letter and send into the school office together with payment (cheques payable to Condover CE School Governors). You will be contacted with your number allocation by early July and all winners will be notified automatically by the school.

What's more, you don't have to have a child at the school to participate, so why not ask grandparents, friends etc if they would like to join too?

Yours sincerely

Sara Miles
Chair of Governors
