Dear Parents,

I have organised for the Whitehaven Harbour Trust to run archery and climbing sessions for our Y5 and Y6 children. The archery club will take place on a Monday in the school hall from 3.15 to 4.15pm. Climbing will take place at the Harbour Project in Whitehaven on a Wednesday until 4.45pm. Children attending the climbing sessions will be collected from school at 3.10pm by a Harbour Project member of staff in their minibus. A member of school staff will escort children on to the minibus. Parents are required to collect their children from the Harbour project at 4.45pm.

These sessions are provided on a first come first served basis, however we will be running the sessions all year and will be starting a waiting list.

Once places have been allocated we will need parents to complete consent information and make a payment of £25 for a 6 week block for both activities being offered.

If you would like any further information about these sessions please don't hesitate to contact me or Gina McCabe (Project Manager) at the Harbour Project on 01946 690404. You can also view the project website at www.whyp.org.uk.

Yours sincerely,
Claire Gibson,
Claire Gibson
Year 4 Teacher.
