The 'Floor Standard' is the minimum standard for pupil attainment and/or progress that the Government expects schools to meet.

In 2016, a school will be above the floor if:

- At least 65% of pupils meet the expected standard in English reading, English writing and mathematics; **or**
- The school achieves sufficient progress scores in **all three** subjects. At least -5 in English reading, -5 in mathematics and -7 in English writing.

To be above the floor, the school needs to meet either the attainment **or** all of the progress element.

Y1	100%	100%	100%

NB: If your child does not have Free School Meals, but may be eligible because of your family's income level, please contact 01926 742060 / 01926 742543 to register them. Even if you do not wish them to have the meals, this would mean the school could still claim Pupil Premium funding that may be used to help your child. This includes children who are in Key Stage 1 receiving the Government's free meal entitlement, SO PLEASE DO REGISTER.
