7<sup>th</sup> September 2016

Dear Parents/Carers,

In addition to instrumental lessons, children have lots of different opportunities to develop their singing skills in school. On Mondays after school, from 3.30 til 4.15 pm, Mrs Anderson and I will once again be running the Singstars vocal group for KS2.

This year we are pleased to announce an exciting opportunity for all Singstars members: On 27<sup>th</sup> January 2017, the group plan to take part in the annual Young Voices festival at Birmingham Genting Arena, where they will sing a wide variety of contemporary and traditional songs, alongside thousands of other children from around the country, accompanied by professional singers and musicians. There are even some street dance moves to be learnt too! Parents will have the opportunity to buy tickets to watch or maybe even join in!

Our Singstar sessions up to Christmas will focus on learning the fantastic range of songs for this show. If your child is interested in taking part and joining our group, please complete the form below. Full details of the Young Voices event will be provided at the first rehearsal.

In the meantime, if you have any other questions about musical opportunities at Maulden Lower, then please do not hesitate to see me.

Yours sincerely

Joanne Keane  
Year 4 Teacher
