

Objective	Milestone Indicators	Basic Activities	Advanced Activities	Deep Activities	Resources
<p><b>Milestone 3</b></p> <p>To collect.</p>	<p><b>Milestone 3</b></p> <p>Select appropriate applications to devise, construct and manipulate data and present it in an effective and professional manner.</p>	<p>With support, give children, working in pairs, plenty of time to explore the village of West Mucking. They write a report about their finds - they explain what they found, what it is made of, what they think it is part of, who would have used it and how they think the Anglo-Saxon villagers may have used the item. Which areas of the village are there no pieces of evidence for?</p>	<p>With prompts, give children, working in pairs, plenty of time to explore the village of West Mucking.
