

Objective	Milestone Indicators	Basic Activities	Advanced Activities	Deep Activities	Resources
<p>Milestone 3</p> <p>To communicate geographically.</p>	<p>Milestone 3</p> <p>Create maps of locations identifying patterns (such as: land use, climate zones, population densities, height of land).</p>	<p>Children work in pairs and use a partially completed sketch map to plan their own settlement. They mark features such as buildings, area for growing crops, grazing land, etc. They include a key to identify the symbols used.</p>	<p>Children work individually and draw their own sketch map of a planned new settlement. They decide on the resources available in the area and show these using symbols. They then plan areas for crops, grazing animals and putting up buildings. They include a key to identify the symbols used.</p>	<p>Children work individually and draw their own sketch map of a planned new settlement. They decide on the resources available in the area and show these using symbols. They then plan areas for crops, grazing animals and putting up buildings. They include a key to identify the symbols used. They annotate the sketch map with additional comments.</p>	<p>'Anglo-Saxon Village' by Monica Stoppleman Initial Ideas for Settlement Sheet History of West Stow Sheet Settlement Cards Map of West Stow Possible Sites Map Our Village Template</p>
