6th September 2016

Dear Parents and Carers,

We are very pleased to announce that this year all KS2 pupils will be taking part in the amazing Young Voices Concert Experience as part of their music education.

What does this experience offer?

Young Voices National and International Choir Experience provides children with the opportunity to perform in some of the world's greatest arenas alongside incredible artists and has a massive impact on the children involved. Furthermore, to achieve this with all their school friends around them for support, helps their self-belief, confidence and ability to communicate as part of a team, which is invaluable. Add to this the numerous health benefits of consistent singing in rehearsals, from breathing regulation to relieving stress and it's no wonder that Young Voices is over-subscribed year after year.

One of the highlights of the whole process is to see the pride that the children have in their own performance, and this is further amplified when their parents are able to share the experience as part of the audience. There is a massive sense of achievement gained from rehearsing over so many months and finally performing in some of the world's largest arenas.

What can we expect?

- Pupils will learn and rehearse a selection of songs at school
- Each pupil to have a CD and lyrics to take home to help them practise
- Information regarding ticket sales to come home week beginning 12th September
- Fundraising opportunities to minimise the cost of transport, t-shirt and torches
- Pupils to perform at Sheffield Arena on Thursday 12th January 2017

Look out for the CDs, lyrics and ticket letters coming home soon. If you have any questions, please don't hesitate to contact the school office and ask to speak to the event organisers.

Yours sincerely

Miss Ward
