#### Attainment / Progress Measures

The 'Floor Standard' is the minimum standard for pupil attainment and/or progress that the Government expects schools to meet. In 2016, a school will be above the floor if:

- At least 65% of pupils meet the expected standard in English reading, English writing and mathematics; or
- The school achieves sufficient progress scores in all three subjects. At least -5 in English reading, -5 in mathematics and -7 in English writing.

To be above the floor, the school needs to meet either the attainment or all of the progress element.
