

FAIRFIELD WEEKLY NEWS

Wednesday 14th September 2016

Name of child _____

Reception Area

Please may we respectfully request that parents do not wait in the reception area before 8.45am in the morning and 2.55pm in the afternoon. Thank you.

Class Meetings

A reminder that there are welcome meetings to explain class procedures on Monday 19th September at 3.15pm and 3.40pm.

Uniform

We are reviewing our school uniform with a view to making improvements for next year. However please remember that even this year for reasons of health and smartness standards, shoes and NOT trainers should be worn.

Department for Education request for information.

Letters are going home tonight requesting information from you with regards to nationality etc. This is not a school request and we hope that parents do not find it intrusive. However it is important as it should lead to children receiving the best possible support and it could lead to additional funding for school. Please return the completed form by Tuesday 20th September. Thanks for your co-operation.

Meeting Children

Children in FS, Y1, Y2 and Y3 **must** be brought to and taken from school by an adult (Age 16+). Children in Y4, Y5 and Y6 can go home alone at parent's discretion. It is policy that failure to supervise children going to and from school is classified as a safeguarding issue.

We understand that parents of children in Y4 and above may wish for their children to bring

a mobile phone for their journey. This is allowed but:

- i. School cannot accept the responsibility for the loss of valuables.
- ii. The phone must be handed to an adult at 9am. Phones will be stored and returned at home time.
- iii. Any phone being used in school will be confiscated and only returned to an adult.

Yours sincerely,

C. J. Ashley
Headteacher

Jeans for Genes

Please donate £1 to come to school wearing some sort of denim e.g. jeans. All funds raised will be in memory of Jake Boardman and will raise money for genetic research and liver disease.

As the occasion will be in memory of Jake any volunteers can sing, dance or perform a karaoke song in our assembly on Friday 23rd at 9.15am. Parents are welcome!
