

Safeguarding Statement

Watton at Stone Primary & Nursery School is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment.

This means that we have a Child Protection Policy and procedures in place which are available on our website. Parents and carers are welcome to read the policy on request from the school office or on our website.

Sometimes we may need to share information and work in partnership with other agencies when there are concerns about a child's welfare. We will ensure that our concerns about our pupils are discussed with his/her parents/carers first unless we have reason to believe that such a move would be contrary to the child's welfare.
