### Comments made

'X' is happy at Roach Vale. Breakfast Club. To have a nursery class.  
 Nothing - you're doing great! Keep it up! Nit nurse. It would be good if kids have more after school clubs. Bullying has not been an issue since 'Y' has been at Roach Vale  
 The open day to look at work should be done for more than one day if both parents work.  
 E mail service is not useable via iphone or ipad. Can this be updated for those of us no longer using p.c.'s. We would change nothing as we are very happy. More challenging homework. Wider range of after school clubs.

More help/support for the children who are less able. (Q7) Haven't had any real experience to comment on.  
 Breakfast Club that doesn't cost too much. After school clubs – more availability. As a full-time working parent that would be good. More consistency with uniform. Lots of children in non-uniform colours. Spelling Bee (that's the children's suggestion). I would prefer homework to be set weekly instead of termly. More information for parents on what my child is doing in class so it would be easier to work or talk with her at home.
