

Jan Fisher-Sibbons

Assistant Headteacher

Trinity School

I have worked within a special needs setting for over 13 years and have had the roles of: Class Teacher, English and Maths Curriculum

SEND Curriculum

Lead, TLR and Assistant Head Teacher.

I have introduced and lead a group of teachers through the changes in accreditation for Key Stage 4 students, enabling all students to gain a nationally recognised qualification.

I have completed the NPQML and NPQSL and whilst undertaking this training gained a Level 5 certificate in Coaching in Education.

I have led on introducing a new Reading Scheme within the Middle and Upper Phase of the school, which is better suited for students working in the P Levels.

Structured Teaching

I am a Structure Teach Trainer and twice yearly lead a cohort of teachers and teaching assistant through Trinity's School intense 5 day training course in Structured Teaching.

Behaviour Management

I have experience of supporting teachers in all areas of their teaching: classroom set up, behaviour management, assessment, differentiation of the curriculum that meets the needs of our students, moderation and ensuring that all students are making progress based upon nationally set targets or against school aims.

I am keen to support others in the complexity of special educational needs enabling them to aspire to become outstanding teachers through empowerment and reflection of their own teaching practice.
