Dear Parents/carers,

I am excited to be writing my first newsletter as the new Acting Headteacher for Greenfield Early Years Centre. I have met many of you as your children have started with us. Everybody has been very welcoming and the school is valued in the local community. My passion is excellent Early Years provision and I believe you will see that in our setting, I will continually be aiming high for the best start to your child's education.

Please join me for a cup of tea or coffee so I can get to know you all better on the 26th September at 9:00am or 12:45pm.

I look forward to seeing you.

The children have begun to settle into their new classes and have been very busy enjoying exploring the toys and the garden.

Just to refresh you

Please can you ensure your child's shoes have closed in toes as flip flops and open

toed sandals can be a trip hazard particularly in the garden.

Jewellery is best worn at home in case it is lost at school.

Please can all uniform have your child's name in, then if it is mislaid we will find it.

We have a permanent marker you can use - just ask the office

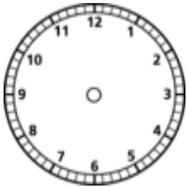

We apologise for any disruption with builders on site working on a new roof, we expect the work to be completed by half term.
