## Jeans for Genes

Please donate £1 to come to school wearing some sort of denim e.g. jeans. All funds raised will be in memory of Jake Boardman and will raise money for genetic research and liver disease.

As the occasion will be in memory of Jake any volunteers can sing, dance or perform a karaoke song in our assembly on Friday 23<sup>rd</sup> at 9.15am. Parents are welcome!

In order to raise as much money for Jeans for Genes as possible we will ask for a donation of 20p per performance.

## Front Desk

Please be aware that staff at the front desk fulfil a very demanding role. They are ensuring security isn't breached, dealing with parents' money and fielding a multitude of phone calls and enquiries by email. We are having an increasing number of incidents where front desk staff find themselves in dispute with parents. Please be aware the front line staff are merely explaining school management policies. These all have their root in:

- 1) Child safety.
- 2) Education and Progress.
- 3) Our desire to be helpful to families.

After School Club and our policy of not accepting on the day bookings for example, comes purely from child safety concerns where numbers were too high for adult/children ratios.

I am responsible for all school policy and therefore must make it clear that if you have an issue you must make an appointment with me and I will inform you of our complaints procedure. We have zero tolerance of aggression verbally or physically towards school

staff and any incidents will result in an injunction from school premises.

The crowded front desk would run more smoothly if parents followed our policy that money should be in envelopes with the child's name, the amount and the reason clearly stated. Thank you in advance.
