

Parents,

Monday 19th September, as part of our topic work about ourselves and the local
we are walking around the village and visiting the library.

During our time at the library the children will have the opportunity to select a book
to take home. If your child is already a member of the library please could they
bring their card along with them. If your child has not yet joined the library and you
would like them to please complete the attached letter.

Thanks

Mr And Mrs Ruggles

Dear Parent / Guardian

As you know, joining the library can open up a wide range of opportunities, information and enjoyment. With a library ticket, your child can borrow books, films and music, have free use of the Internet and get information for homework or leisure activities.

It is free to join the library, and for children and young people under 16 there are no charges for requests or overdue books.

We are delighted that your child will be visiting the local library with their class. As part of the visit your child will be making we would like them to have the opportunity to borrow some books to take home.

If your child does not have their own library ticket, with your permission, we can arrange to issue them one on the day. Please fill in and return the form below to your child's teacher before their visit to the library.

If you wish to join yourself and other family members you can do so at any time by visiting any local library.
