

WALKING BUS – MAKING A DIFFERENCE!

Spar Walking Bus

Meet a Walking bus close to the Spar Garage near the hospital roundabout at 8.35am. Primary 4-7 children walk to school at 8.42am and primary 1-3 leave at 8.52am.

Walking to school promotes healthy children and allows those who take part to arrive at school energised and ready for school work. It also reduces traffic at the school gates and helps to save time for parents and carers.
