

## CONFIRMATION OF BIKEABILITY TRAINING COURSE

**School: Bishopstone CE Primary**  
**Dates: 17<sup>th</sup> and 18<sup>th</sup> October 2016**

Dear parent/carer,

I would like to confirm that your child has been allocated a place on the Level 1/2 Bikeability cycling course during school time on the above dates. They **must** attend all sessions.

Please check your child's bike is roadworthy before the start of their course.  
**Children will not be allowed to take part in the training on an unsafe bicycle.**

Qualified instructors will run both on- and off-road training and each trainee will be loaned a fluorescent tabard for the on-road sessions. **We highly recommend that your child wears a suitable cycle helmet. This should bear a recognised test standard such as BSI Kite Mark, ANSI or American Snell B. 95, European CE Mark.**

Swindon Borough Council holds Public Liability Insurance to cover damage or injury caused to other people by the negligence on the part of its employees. As with other school activities the Borough does not provide personal accident cover for pupils but it is possible for you to arrange private cover.

If your child has any additional needs that may affect their participation in practical training (for example, with physical co-ordination, hearing or reading) please ensure the instructor knows at the beginning of the course so they can give your child appropriate support.

Jane Deeley - Road Safety Officer  
Swindon Borough Council
