Newsletter 3

September 23rd 2016

The children are thoroughly enjoying the Wild Outdoors sessions available on Fridays after school.

Last Friday, the children made dens and tested if they were waterproof.

Thank you to the PTFA for their generous donation towards the new reading books for home reading. We were able to buy a range of books that are proving to be extremely popular. We can even see the impact of the reading and new vocabulary in the children's writing already. We hope to buy even more books to inspire the children later in the year.

Our first School Council meeting of the year took place earlier this week. They have already discussed a number of ideas and events they hope to hold. Watch out for their letter next week!

Two of our children are thrilled with the responsibility of answering the telephones during busy lunchtimes. We have already received lovely responses for their clarity and manners. Well done girls!

Our annual Open Day is planned for Friday 7th October. Please invite friends, family and neighbours to attend.

Stars of the Week

Reception: **Noah** for making super models and pictures at home as well as at school

Year one: **Lucas** for brilliant writing and listening to feedback

Year two: **Amelia** for brilliant writing all week

Year three: **Oliver** for writing a fantastic newspaper report about 'The Brownlee brothers' and reading with confidence in 'the spotlight'

Year four: **Hattie** for using a thesaurus to find synonyms in her independent writing

Year five: **James** for working really hard in all areas of the curriculum

Year six: **Callum** for educating year three and four about his bearded dragon

Attendance

Class 1 with 100 %

Harvest Festival

Please be aware there has been a change of date for the Harvest Festival. It is now Sunday 9th October at 11am. Sorry for the confusion.
