Our year 6 results were above National figures in all areas and our level 5 was above in reading, writing and maths. 100% of children made more than 2+ levels of progress in reading and writing and 91% in maths. An area for improvement is in our higher achievers attainment in GPS. There was no gap between the disadvantaged and non-disadvantaged pupils.

Our data dashboard shows that since 2014 there are no serious weaknesses. Raise Online provides evidence that the schools attainment and progress has moved forward and there is an upward trend. This is due to more confident teaching, greater monitoring and tracking, raised expectations and aspirations for each pupil.
