'Investors in Pupils' Assessment

Dear Claire,

Thank you for inviting me to assess 'Investors in Pupils' at your school on Wednesday 15th June 2016. I can now confirm that the assessment report has been quality assured by the West Yorkshire Investors in Pupils Partnership and am delighted to be able to inform you that Barnby Dun Primary Academy has successfully achieved the 'Investors in Pupils' accreditation – many congratulations.

The decision was based on information and evidence from a variety of sources including a self-assessment application form, planning documentation, a coordinator's evidence file, anti-bullying chartermark evidence file, secondary sources, pre-assessment telephone conversation and a full timetable of interviews involving a range of stakeholders involved in daily school life including senior leaders, management committee members, parents, teachers, non-teaching staff, pupils from each year class, school councillors and pupils with positions of additional responsibility.

The school has an abundance of creative, inquisitive and enthusiastic pupils. As part of its continued approach to pupil support and development the school should continue to consider how pupils could become further involved in any future developments.

I would like to thank all the pupils and staff of Barnby Dun Primary Academy for a very enjoyable visit and for the opportunity and privilege to witness such a positive school community in action.

I wish the school every success in the future.

Yours sincerely,

Steven Ruse
