

Dalton St Michael's C.E. Primary School

Newsletter 4

September 30th 2016

The damsons from the trees in the school grounds have been put to good use this week. Mrs Britton's class made damson and cherry crumble which looked and tasted delicious. This week's challenge is to include damsons in tasty recipes at home and at school!

The gardening club have been busy harvesting produce, planting a variety of bulbs and plants as well as tidying up the ground for winter. This week the children were raking the wildflower garden ready to plant seeds next spring.

Miss Dowling's class took Collective Worship in Church this morning. All the children took part confidently. We were very proud of them.

Next week:

The Life Education Caravan visits on Wednesday 5th October
KS 2 children visit Williamson Park on Thursday 6th October
Our Open Day takes place on Friday 7th October

Stars of the Week

Reception: **Leighton** for settling into Reception routines so well and being a good friend

Year one: **Theo** for describing his robot character so well

Year two: **Logan** for doing really well adding two 2 digit numbers

Year three: **Ellis** for working hard on his observational drawing of a dolphin which he identified as a mammal

Year four: **Alexia** for her outstanding effort and progress in all lessons this week

Year five: **Milly L.** for being so well organised as well as being helpful and supportive to others

Year six: **Molly** for her much improved cursive handwriting

Attendance

Class 2 with 90.5%

Get well soon to all our 'poorly' children.

Harvest Festival

Please support our Harvest Festival on Sunday 9th October at 11am.

Mrs Adele Robinson BEQ NPQH - Headteacher
