

Dalton School

Our end of term has seen some successful school trips...
Class one visited Formby for the day.

They searched for
squirrels...

and learned about their habitat.

After lunch they spent time exploring the beach. They even had time for a paddle in the sea
(holding adults hands of course).

Class two visited Ingleton Waterfalls. They have been learning about rivers this term so it was good to see parts of the River Twiss at first-hand.

They were extremely lucky to have perfect weather for a river walk. It was lovely to hear the many positive comments about our children's behaviour from other people visiting Ingleton waterfalls.

Class three visited Liverpool for the day. They spent time at Liverpool Museum and had a tour of the city on a red bus.

**We have some places available for our pre-school in September 2016.
Please contact the school office for further details on 01257 462082.**
