Wednesday 5th October 2016

Dear Parent / Carer,

We will be running a Science Club open to Year 5. The club will run for a period of 6 weeks and then a new group of pupils will be selected.

Science Club will provide the opportunity for your child to take part in fun; creative investigations that will not only teach them how to think and work scientifically but will help them understand how to investigate problems effectively. They will be encouraged to work both independently and in collaboration with each other.

The club will run from 3.30 – 4.30 p.m. on the following Thursdays:

- Thursday 3rd November
- Thursday 10th November
- Thursday 17th November
- Thursday 24th November
- Thursday 1st December
- Thursday 15th December

Please note that there won't be a Science Club on December 8th due to the Robinwood residential.

If you would like your child to attend then please complete and return the form below to Mrs Hill as soon as possible, as places will be given on a first come first served basis.

Yours sincerely

Mrs L Hill and Mrs H Cunningham
