

Hetton-Le-Hole Nursery School Newsletter

September 2016

Welcome back...

I hope you all had a fantastic summer and we would all like to welcome back all of our returning children and families it has been lovely to hear about the fantastic adventures you have all been on.

We would also like to say a big hello and welcome to all of our new children and families who have joined our Nursery over the summer. We are so excited to get to know you all. It is fantastic to see how well you have all settled in.

Some of you may have noticed that we had some building work completed over the summer. We have re-vamped the entrance and had new toilets installed for our 3-4 year olds. We are also having our garden developed in the upcoming weeks..... Exciting stuff!!

Childcare Sessions

We offer 7:30am until 6pm daily sessions. If you need any additional childcare or would like to extend your session times please contact Stephen in the Main Office.

Weather

Well we don't seem to have had much of a summer and already it seems to be getting a bit chilly. We do take the children outside in all weathers so if possible can you send in some spare clothes, just in case they get wet. You may also want to provide gloves, hats and scarves. We provide wellies and waterproofs to keep the children warm and dry.

Tissues

It is nearly the dreaded runny nose time of year and we are asking for donations of tissues. If you happen to have a spare box we would be very grateful as we go through them like nobody 'nose'!

We are over the moon to announce that Kelly and Laura are both expecting and their babies are due in the first few weeks of December. We can't wait to meet them both!

Congratulations from us all!!!

ZOOLAB....

The children who attended over the holidays were extremely lucky as Zoolab came in and introduced us to some very weird and wonderful creatures. The children and some of the braver staff got to hold tarantulas, snakes, snails and centipedes.

Important FEE Payments

Did you know that you can now pay fees online if you have a debit/credit card?

It is a fast and convenient way to keep on top of your payments. If you would like more information please call in at the office.

From the **19th September ALL FEES MUST BE HANDED IN AT THE OFFICE** rather than passing money over to the staff in the rooms as they are busy with the children.

Thank you for your co-operation

UPCOMING EVENTS

We will be hosting a MacMillan cake stall within the Nursery during the week of 10th October. Further details will follow in the next few weeks, But we will be asking for donations of sweet treats. We have several staff who have been affected by cancer and have worked closely with this charity so we would like to give something back and hope that you will all help us to do so.

We are also raising money for children in need this year too. So we are inviting all children to dress up in spots for the day on Friday 18th November. We will be asking for a small donation of £1 from all children.

Reminders

PARKING

Please can we ask parents to be considerate when they are parking their car to drop their children off at nursery.

We have had a number of residents complaining that they can't get in and out of the street.

Thank you

We have sent out a term date sheet for 2016/ 2017 which outlines the holiday dates and when the school is closed. It is also available on our website.

Please like and share our Facebook page to keep up to date with all of our news.
