

St Mary's RC Primary School Homework Grid

Topic: Land Ahoy (Pirates)

Year Group: 2

Term: Autumn 1

Areas of Study	Thinking Levels			
	Knowing 1 point	Understanding 2 points	Applying 3 points	Analysing 4 points
Language and Communication Speaking, listening, literacy, English and other languages	Learn some 'pirate' spellings:- pirate, parrot, ocean, ship, rigging, sailing, treasure, exploring, jolly roger, captain.	Can you find out the meaning of these pirate words? Ahoy Aye Seadog Cutlass Booty Jolly Roger Scuttle	Imagine you have landed on a treasure island. Use all your senses to describe what you can see, hear, touch, taste and smell.	Create a wanted poster for a famous pirate.
Health & Wellbeing Physical activity, food, Personal/ Social/Emotional development	Why are Pirates not very nice people?	What objects do you treasure? Using pictures, captions and photographs make your own treasure chest.	What would a pirate eat for lunch? Use your imagination to design a creative lunch, fit for a pirate. Record your ide-as in a menu, as a drawing or indeed make the lunch and bring in a photo for us to see.	
Humanities and Citizenship History, Geography, RE, Cultural, visits	Find out the names of some famous pirates.		Visit your local library to find fiction and non-fiction books about "Pirates". Which is your favourite type of book and why? Write a book review.	Find out who Captain Blackbeard was and what he did. Create a poster about him.
Science and Technology Science, DT, Eco issues	Design a new outfit for a pirate. Label each part.	Create a pirate hat of your own from materials of your choice.	Your pirate ship has sunk! What type or materials would you need to build a new one? Carry out an investigation to find out what materials float on water. Can you then make a new pirate ship that will float on water?	
Creative Arts Art, Design, Drama, Music, Dance	Design your own "Jolly Roger" flag in your homework book. Describe your reasons why you chose the design.		Create a treasure map of your own. Can you label some of the features on your map?	Make a treasure map showing the pirates where to dig for treasure. You could use coordinates (e.g. A-F along the bottom, 1-8 up the side) or NSEW compass directions. Have a go at writing some clues or directions to help locate the treasure. You could stain you map with used teabags to make it look old.

St Mary's RC Primary School Homework Grid

<p>Maths & Problem Solving</p> <p>Maths Thinking Skills, Logic, Problem solving</p>	<p>Practice your 2 and 10 X tables.</p>	<p>Learn your doubles to 20 Double 2 is 4 Double 13 is 26</p>	<p>33 pirates scrub the deck, 12 pirates climb the rigging, 7 pirates count the gold. How many pirates are there altogether? Write the calculation in your book. Can you think of your own pirate addition problems for us to work out in class?</p>	<p>A pirate steals 23 treasure chests. He buries 4 in the sand and hides 7 chests on a deserted island. How many treasure chests were left? Write your calculations in your homework book. Can you think of your own subtraction pirate problem for us to work out in class?</p>
