Special Needs Register

In line with current legislation we have a Special Needs Register for children who attend the club.

This ensures that we are aware of and can meet the needs of all children who attend and that each child will be given an equal opportunity to participate fully in all aspects of club life.

This register is not only for children with Special Educational Needs but also cover's any special needs a child may have.

All parents are required to fill in the enclosed form.

Thanking you for your co-operation.
