Equal Opportunities Policy

Legal Requirements

Everyone has the right to be treated with dignity and respect.

The Equality Act 2010 prohibits direct and indirect discrimination, harassment and victimisation of people on the grounds of protected characteristics – disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation and age.

The Equality Act 2010 also requires public bodies such as schools to have due regard to the need to:

- Eliminate unlawful discrimination
- Advance equality of opportunity
- Foster good relations between people from different equality groups

This is called the public sector Equality Duty and its purpose is to promote equality for all.

The Government has issued guidance which sets out that having due regard means consciously thinking about the three aims of the public sector Equality Duty as part of the process of decision-making. This means that considering equality issues must influence the decisions reached by schools– such as in how we act as employers; how we develop, evaluate and review our policies; how we design, deliver and evaluate what we offer and how we commission and procure services from others.

Schools also have a responsibility to:

- Publish equality objectives by 6 April 2012 and every four years thereafter;
- Publish information annually from 6 April 2012 to demonstrate their compliance with the general Equality Duty
- Publish information relating to their employees and others affected by their policies and practices
- Public bodies with fewer than 150 employees are not required to publish information on the effect of their policies and practices on their workforce.

A school's published information should include:

- Information on the effect that their policies and practices have had on employees, service users and others from the protected groups;
- Evidence of the analysis undertaken to establish whether their policies and practices will (or have) furthered the three equality aims in the general equality duty;
- Details of the information used in that analysis, and
- Details of engagement with people with an interest in the aims of the duty.

This information must be published in a way that is accessible to the public

Introduction

Deciding on and meeting our Equality Objectives will require ownership by Governors, senior leaders, all staff, the school community and learners.

This document is to help us focus on the outcomes that matter to the people who use our school and its services and our local community; and to ensure that our services are accessible and delivered effectively.

We need to be able to demonstrate what we have done and what we plan to do to improve opportunities and outcomes for pupils, staff, parents and other users of the school. Our success in meeting our objectives will be monitored and delivered through the governors' role, school improvement processes and our self evaluation processes.

Our vision and aims for equality and diversity:

Benton Dene Primary is a learning community that nurtures in every child the core values of equality, fairness and self belief in a secure environment.

At Benton Dene Primary we are committed to promoting an understanding of equality amongst all groups. We do not tolerate incidents of racism or discrimination of any sort. We teach a diverse curriculum, celebrate our cultures and support all pupils to access the curriculum regardless of their background or origins. We support families to engage with the school and individualise the support where necessary to ensure accessibility and support our commitment to equality.

We will ensure that every pupil irrespective of race, disability, gender, religion and belief or sexual orientation is able to achieve high standards and that strategies are in place to tackle under-achievement. We will ensure that every pupil has access to the necessary teaching and support required to enable them to achieve their highest potential. We will ensure that the school's procedures for disciplining pupils and managing behaviour are fair, effective and equitable.

Our intention is to ensure that the adults working or volunteering in the school are from diverse groups. We believe that this provides good role models for our pupils.

We aim to involve pupils, staff, parents, carers, governors and communities in the development of our objectives. They will be involved from the very start and their involvement will inform the preparation, development, publication, review and reporting of our objectives. The aim is to ensure that we meet the needs of people: from all ethnic backgrounds and of all religions or beliefs; of all ages; of all genders and sexual orientations and of all abilities.

Roles and responsibilities, commitment and accountability

We will mainstream equality issues by:

- Paying **due regard** to equality issues within all our key policies, planning, decision making processes and performance management;
- Ensuring that our planning contributes towards our equality objectives;
- Ensuring that arrangements are in place to monitor and report on our progress against our objectives; and
- Ensuring that we engage effectively with our learners, staff, parents and local communities in planning, delivering and monitoring the objective

Race

We recognise that Black and ethnic minority people experience discrimination on the basis of colour, race, nationality and ethnic origin. This discrimination manifests itself in all areas of life. Racial harassment and violence is one of the most serious consequences of racism, damaging people emotionally and physically and limiting life choices and opportunities.

We will take all necessary measures to prevent and tackle racial harassment and assist our learners to live in freedom from harassment and to feel safe as they enjoy and achieve throughout their time at our school.

At Benton Dene Primary, our policy is to report all racist incidents termly to the Local Authority.

We are committed to working for the equality of all ethnic groups. The Governing Body understands its accountability. Under the duties of the Equality Act we will:

Tackle unlawful discrimination by:

- Keeping accurate records of all ethnic groups, their backgrounds and needs and how we respond to them;
- Dealing with complaints of discrimination and harassment speedily according to local authority guidance *Challenging and Dealing with Racist Incidents in Schools* and notify complainants of the outcomes and action taken; and
- Encouraging dialogue between different racial groups

Advance equality by:

- Expanding access and achievement across all communities and in all areas of school activity;
- Promoting the active participation of minority communities in shaping the future of our school;
- Consulting with ethnic minority learners, their families and staff on issues affecting them rather than with people acting on their behalf.
- Ensuring the school staff, learners and their families as well as the wider community fully understand the principles of race equality and good race relations.

Foster good relations and cohesion by:

- Promoting activities that celebrate our common experience as well as those that recognise diversity
- Encouraging learners and their families of all ethnic groups to participate fully in all aspects of school life;
- Fostering understanding and respect for the cultures and faiths of all our learners and their families;
- Countering myths and misinformation that may undermine good community relations;

We will publish our progress annually as part of our review of the School's Equality Objectives.

Disability

We recognise that people with disabilities experience discrimination across all areas of life. We welcome the requirements of the Equality Act and set out our commitment to meeting the duties in relation to disability. Our aim is to advance disability equality across all areas of the school, to disabled pupils, staff, parents, carers and other school users.

- Removing barriers to accessibility, particularly in relation to education, employment and access to services, information and buildings;
- Increasing the extent to which disabled learners can participate in the school curriculum
- Providing where possible, support, assistance and care to disabled learners to enable them to lead independent lives;
- Supporting disabled learners, staff and carers according to their individual need
- Taking steps to meet people's needs related to their disability, even if this requires more favourable treatment
- Involving disabled learners, their families and disabled staff in the changes and improvements we make and consulting them on issues affecting them, rather than with people acting on their behalf.
- Monitoring staff and learners by disability.
- Having a Disability Equality Objective

Foster good relations and cohesion by:

- Promoting equality of opportunity between people with disabilities and other people.
- Promoting positive attitudes towards people with disabilities
- Increasing the inclusion of positive images of people with disabilities across the curriculum
- Encouraging participation of people with disabilities in school life.

At Benton Dene Primary School we regularly track groups of children through gender, race, disability and SEN. Our School Development Plan meets the needs of all parents, pupils and staff in school.

In order to support our disabled parents, through consultation and communication with them, we have provided accessible parking and support the dropping off and collecting of pupils of physically disabled parents at the beginning and the end of the day.

Gender

We are committed to combating sex discrimination and sexism and promoting the equality of women and men. We recognise that society has stereotypes for both women and men, and both women and men can lose opportunities because of these stereotypes. We are aware that staff with caring and domestic responsibilities may need to work part-time or flexible working hours.

We will work in partnership with other agencies to eliminate sexual harassment, domestic violence and other hate crimes.

We are committed to working for the equality of women and men. The Governing Body understands its accountability under the Equality Act and we will give due regard to the need to:

We will take all necessary measures to prevent and tackle discrimination and assist our learners to live in freedom from harassment and to feel safe as they enjoy and achieve throughout their time at our school.

Sexual Orientation and Gender Identity

We are committed to combating discrimination faced by lesbians, gay men and bisexual and transgendered (LGBTQ) people. We want to ensure equality of opportunity for LGBTQ people across services and employment.

We recognise that the Equality Act 2010 requires us to assess the impacts of our policies, functions and procedures have on advancing equality for people based on their sexual orientation. We will take all necessary measures to prevent and tackle discrimination and assist our learners to live in freedom from harassment and to feel safe as they enjoy and achieve throughout their time at our school.

We respect the rights of individuals to be open about their sexual orientation. We tackle homophobia, challenge stereotyping and aim to improve knowledge about LGBTQ communities, both internally and within the community as a whole. Age

We are committed to promoting equality of opportunity for younger and older people. We recognise that society has negative attitudes, stereotypes and myths about youth, ageing, younger and older people. These attitudes and beliefs can lead to both younger and older people being socially and economically disadvantaged, excluded and marginalised. We believe that younger and older people have the right to equality of opportunity and that they make a significant and valuable contribution to the community at large.

Age equality means securing the equal participation in society of people of every age, securing a balance between equal citizenship, equality of opportunity, equality of outcome and respect for difference

Anti-bullying

Our School states clearly that all forms of bullying and discrimination are unacceptable and will not be tolerated. We recognise that a strong and well observed anti bullying policy will have a positive impact on the lives of children from all equality groups. We have therefore set out the measures that our school will take to address bullying and discriminatory incidents in our Anti-Bullying Policy. We monitor and submit data regarding bullying and discriminatory incidents to the Local Authority as required

Employment Practices

In our School we ensure that we observe the principles of equal opportunities in how we employ, develop and treat our staff.

At Benton Dene Primary we ensure that at least one member of each interviewing panel is

‘Safer Recruitment’ trained, so all candidates have an equal opportunity.

Performance management runs on an annual cycle and performance related pay is addressed through this process.

Job promotions are advertised according to procedure and HR are consulted for pay references.

Any incidents of disciplinary, grievance, harassment or discrimination are followed up according to the procedures set out by the LA and followed by the school.

Due Regard

Under the legislation we are required to pay **due regard** to equalities when planning and implementing policies, functions or procedures. We need to understand whether our policies and services are meeting everyone’s needs and that anyone who needs to can get access to them.

Complaints

If a member of the public feels that they have suffered harassment or been treated unfairly by the school because of their sex, colour, race, nationality, ethnic group, regional or national origin, age, marital status, disability, political or religious belief, sexual orientation or class, they should report this without fail through the School's complaints procedure.

Complaints by staff will be dealt with under our Grievance or Dignity at Work Policies, as appropriate. We take all external and internal complaints seriously and will not tolerate any form of discriminatory behaviour. Complaints about staff will be investigated using the appropriate Local Authority procedures.

Monitoring complaints is also another way of gathering information to see whether we are meeting our equality duties. We will report on complaints annually and on action taken.

- taking into serious consideration any complaints regarding equal opportunity issues from parents, staff or pupils;
