Dear Parents

Thank you for the permission slips for your child to attend the Young Voices concert. You will see on the club list that there is an optional club on Thursday with Miss Pearson to learn all the songs . . . as there are many songs to learn. The archery club that is running alongside is aimed at Yr1/2, we will put Archery on for juniors after Christmas.

We had only one return for parent tickets. If you have changed your mind we need to know by **25<sup>th</sup> NOVEMBER, along with a cheque**, as this is their deadline, after this they will not be issuing tickets.

We recently received a flyer (below) where you can access some of the songs, for a cost! Closer to the date we will put some of the songs on to the 'Big Pond'.

## **YOUNG VOICES** **NEW - Choir Rehearsal App**

Please print  
off and give to  
choir parents

Young Voices is excited to announce that this year we have a **NEW Choir Rehearsal App**, which we believe is going to help transform the process of learning the Young Voices music.

This is brand new technology and the process to make this year's songs available has been very complex, we have had to work to introduce the concept to the music publishing companies who control the rights to reproduce the music. It is for this reason the Practice Room does not have the complete YV repertoire, as we were unable to agree permissions for all the songs. We are working to make sure this is not the case in future years.

Young Voices has made the Practice Room available at no charge to schools that have registered to take part in the 2017 concert and purchased the music pack.

To assist the children with learning the repertoire Young Voices is making the songs from the Practice Room available for smart phones and tablets.

### HOW TO GET YOUR APP

Search Young Voices Music in either the iTunes or Google Play stores. a single song costs £1.49 or there are multiple bundle options all the way up to £5.99 for all 5 songs. The more you bundle the cheaper they are.

These Apps will give the children the opportunity to practice at home, enabling them to feel confident and prepared during school rehearsals.

We really hope you enjoy using the Practice Room for your school rehearsals and that it can become an indispensable tool for teachers and students alike.

iTunes

GET IT ON  
Google Play

Best Regards

Miss Lindsay and Mrs Golding

Headteacher Miss Emma Lindsay
