

Dalton St Michael's C.E. Primary School

Newsletter 7

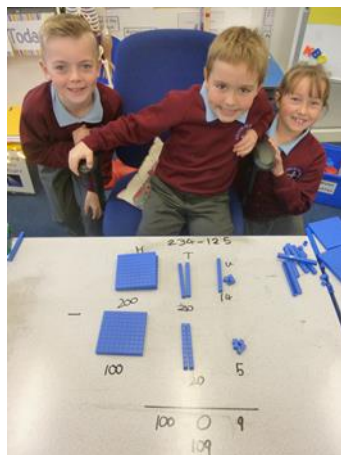

October 21st 2016

Class one have been busy making robots this week.

The process of designing and makings was so exciting, messy but well worth it. All the robots are now displayed in the school hall for all to see.

Toby and Mikey were so proud of their achievements.

Class two have been using apparatus in maths to learn about subtracting 3 digit numbers in a fun and practical way. This has really helped to consolidate their Mathematical skills.

On Thursday Callum, Molly and Megan accompanied Mr Atkins to an e-safety roadshow at the DW Stadium in Wigan. One of their tasks was to dress up in role in order to learn about keeping passwords safe.

Thank you to the PTEA for organising some events for our children:

On Thursday 27th October is our Autumn Disco - 5pm to 7pm

Tickets available from the school office

On Friday 28th October is a Pumpkin Trail

Stars of the Week

Reception: **Laila** for making all of the teachers around school smile

Year one: **Lucas** for learning his number bonds to 10

Year two: **Bella** for trying hard with Inverse in Maths this week

Year three: **Joshua** for brilliant answers in R.E and for being a 'good sport' in our 'Big Write'

Year four: **Ruby** for trying so hard to use the correct homophones

All of **Year five:** for supporting younger children with problem solving

Year six: **Callum, Megan and Molly** for representing the school well at the e-safety roadshow
