NEW SCHOOL WEBSITE

www.holmeschool.co.uk

We are very pleased to announce the launch of our **new school website** following a significant period of work over the last year. We have looked closely at the format of the site to try and achieve the following:

- Easy to use and navigate
- Ability to showcase what is happening in school to parents and the community
- Access to all the key school information

We hope you like what we have achieved. The **'Parents'** tab and drop-down menu includes the key information we think you will want to access on a regular basis (**including the payments button**)....but please have a look at the rest of the site – especially the new Class/Phase pages!

We would be very interested to know what you think, and are happy to receive any suggestions about how we can make it even better.

Reminders to Parents.....

- School starts at 8.50am for all children (except Nursery). Please could you make sure children are on the playground for this time as we now go straight into lessons after the register.
- Please could you ensure that all clothing, bags, packed lunch boxes etc are labelled with your child's name. Thank you.
