School newspaper

Ms McBride explained that school had voted to have a school newspaper and school council thought that Sports Council could be responsible for the Sports update page/section.

Jake offered to write some short reports following football matches versus Monksmead and Woodlands plus a report on the Cross Country event (taking place 16th November). Mr Lofting will help Jake with this.

It was also suggested that school newspaper could report on children's sporting achievements outside of school (e.g. competitions, exams). Ms McBride to tell children about this at Praise assembly and sporting achievements to be shared with sports council reps for inclusion in newspaper (children will be encouraged to bring in photos).

Hockey tournament

Ms McBride asked the sports council reps how the hockey training was going. Most reps had attended at least once session. Shaynna-Allyn explained that the colder weather stopped some children taking part. Ms McBride said she would remind everyone to have a pair of gloves to wear.

Mr Lofting agreed to do class training this week and next and then start team training for competition in January.

School games day

Ms McBride told sports council that she would like them to help with a School Games Day which will be in the summer term – when each class takes part in a rotation of activities (similar to the one we did in 2014). Sports council agreed that they would like to help with this.

Wall bars for gym lessons

Some KS2 Reps said they had a request from other children to be able to use the wall bar apparatus in the hall when they are having gym lessons. Not many classes use this equipment but the sports council felt it would add to their gymnastics learning. Mr Lofting said he would be able to help teachers set up this equipment. Ms McBride said she would ask teachers to include this as part of their gym lessons.
