

Head Talk

A week ago the children took part in an act of remembrance at 11am. We all stood on the junior playground in silence as a mark of respect to the people who have lost their lives in conflicts around the world. It was an especially emotional occasion considering the history of the school in being a military hospital in its early days. Over the last couple of weeks the school has also had its Learning Conferences. I would like to thank the parents who have offered their feedback on their conferences to staff. It has been very useful. As we march towards Christmas, keep an eye on the school website diary so that you can keep up with events. Have a happy weekend!

School Website

I thought it might be useful to remind parents of a couple of useful pages on the school website. We have a page under the office section of the site, which now contains electronic versions of important letters that we have sent home with the children. This is a good place to visit from time to time, just in case a letter is lost. We also have a section on the website with the school term dates and non pupil days. The home page also contains a diary of events that are taking place during the year.

Lost Property

You may have noticed that there have been a couple of additions to the shelters on the infant and junior playgrounds. In

order to try and keep the school tidy, we have moved our lost property items into plastic bins which have been stored in the shelters. If your child has lost anything, please do feel free to have a look in the new bins!

EACH

Children took home their sponsor forms this week for the circuit training event taking place on Friday 1st December. The children are really looking forward to raising money for a brilliant charity. Please give generously.

Foundation Stage Autumn Walk

The Foundation Stage classes went on an Autumn walk last Friday. They had a lovely walk to Abbey Field and spent time searching for and collecting Autumnal objects. They also tried hard to find different types of trees and learnt some of their names. The children behaved beautifully and remembered all the road rules to keep themselves safe.

We would like to thank all the parents that helped with the trip. It was very much appreciated.

Year 4 Roman Day

On Thursday 17th November, 'Portals to the Past' transported the Year 4s to Iron Age Britain under Roman rule. In the morning, the children explored the dramatic change in the lifestyle of even the lowliest of citizens after the arrival of the Roman legions. They took a tour

through a bath-house and also had the opportunity to handle real Roman artefacts to get a real hands-on experience of history. The afternoon provided even more excitement with a display of Roman and Celtic weapons and armour and a walk through Boudicca's final battle with the Romans. The day ended with our very own gladiator show where the children took on various roles from the Roman emperor down to the slaves. The children were kept entertained all day and learned so much! It was a fantastic day which the children (and teachers) thoroughly enjoyed. Huge thanks to parents for the wonderful costumes—the children really looked the part!

Mrs Wright and Mrs Richardson

Please note the Year 4 production 'The Warrior Queen' will be on Friday 9th December at 1.45pm
