### Using FFT Aspire dashboards

attainment ← | | | | | | | | → progress

The dashboard provides an overview of performance in your school based on your actual results ( attainment ) and the value added pupil progress that pupils have made from one key stage to the next ( progress ).

The dashboard also provides a simple comparison of school performance against national averages. For value added progress measures, this comparison is based on the average progress made by similar pupils across the country. By 'similar pupils' we mean pupils with similar prior attainment, gender and month of birth.
