Jeans for Genes Day

Recently we had a 'wear your jeans to school' day to raise money for charity.

We are delighted to announce that across both schools we have raised a fantastic

£589.25

Well done to
who donated.

everyone

DATES FOR DIARY

Please remember to check your School Events calendar for any special days/dates coming up in school.

If we add any more, we will put them on the newsletter or

PARKING/DRIVING

Despite putting reminders on our newsletters we are still having issues with parents/carers parking on the school site.

The school grounds are **private** and are for use by staff members only.

You are **not permitted** to park on the school grounds when dropping off or collecting your child/ren. If you hold a valid disabled badge you must gain permission from the Executive Headteacher prior to parking on the school grounds.

We are also receiving complaints from the residents living on Limetree Avenue, please do not block driveways, and always take care to drive slowly as there are often children walking down the street.

We thank you for your continued support.

This week we have had the Adventure Team in school to photograph the children, and they have said that our pupils are some of the best behaved that they have ever worked with, always polite and full of fun! It is always nice to hear from others what we, at All Saints' Federation, know to be true!

We are looking at holding a family portrait night and in order to gauge how many nights we may need, we are sending out an expression of interest letter for you to

COLD WEATHER

Now the weather is turning and we can feel the nip in the air may we please remind all parents/carers to send your child/ren to school with suitable clothing?

We have lots of children coming to school without a warm coat; all pupils regularly go outside throughout the day and therefore do need a coat. Suitable

footwear is also a must but we do not permit the girls to wear high heeled boots, only sensible flat footwear please.
