

Here's something for you to try at home.

Draw around your hand on a piece of paper.

Think of five adults you can talk to if you are worried and write their names on each finger.

Keep the paper safe and use it if you need a reminder.

Who can I talk to?

You can talk to any adult in school who you feel comfortable with.

They might tell you that they have pass what you have said on to someone else.

The adults in school with a special responsibility for Safeguarding are Mrs Lloyd—Williams, Mrs Ellis, Mrs Jewell, Miss Pettitt and Miss Sadler.

You can ask to speak to any of them.

Keeping Children Safe in School

All Children deserve to feel...

Safeguarding is about making sure that everyone in school feels safe.

All adults and children have a responsibility to look after our buildings and each other.

WE ALL HAVE THE

ANYTHING EVEN IF IT
FEELS AWFUL OR SMALL

Some of those things include:

Problems at home or school.

Sadness, depression or feeling low.

If you are being physically harmed.

If you are being made to do something you do not want to do.

If you have harmed yourself, or think about harming yourself.

Having issues with food, weight and self esteem.

Anything that is making you feel frightened, scared, upset or angry.

Staying Safe
online—Think
before you click

I will always ask permission before using the internet.

I will not give out my phone number, address or send a picture to anyone.

I won't arrange to meet anyone I have met online.

I will tell an adult if I see anything I am unhappy about.
