"I have loved you with an everlasting love"
Jeremiah 31:3

Reception: This week we have been practicing our songs for the Christmas play, they are sounding very good and we are very excited about performing them to you! Next week, we will be having lots of play practices. In writing this week, the children have really impressed us with their work on the Little Red Hen and have written the story themselves! In Maths, the children have enjoyed finding shapes around the classroom, making patterns and making lots of shape pictures. This topic will continue into next week. The weather has become a lot colder, so if you haven't been, please could you send your child in with a hat and gloves to keep them warm at playtime! We hope you have a lovely weekend!

Year 1: A lovely, busy week in Year One! We have really enjoyed our new book 'Night Monkey Day Monkey'. We have had lots of lovely writing and craft work from this book. In maths we have completed our addition section and will move onto subtraction next week. We have been really busy with play practices this week and are looking forward to our performance. Homework this week – science related. Look for light sources in your house. Research Nocturnal animals – find some information and pictures to share with the class. Have a lovely weekend!

Year 2: Next week we are completing our subtraction work and moving to adding 3 numbers in different ways. Then we are looking at some word problems. In Literacy we are redrafting our long writing from this week and then we are moving on to instruction writing. We are going to follow some instructions and then write our own. In RE we are looking at the beginning of the Nativity story. We are looking at life cycles of plants and animals in Science over the next few weeks to complete this unit of work about living things.

Our end of term musical is improving every day. Can you please keep practicing the words even if the children know them because they need to be fluent so they don't need to use the scripts. Thank you for your help. Have a great weekend.

Year 3: We started the week off with a lovely mass on Monday morning. Thank you to those that came and joined us. We have an Advent Mass on Tuesday morning this week – again, it is lovely when parents and grandparents can join us for this. This week in Literacy we have completed our story writing unit and next week move onto a non-fiction unit looking at non-chronological reports. Children have been doing well with their x3 and x4 tables. Well done to all that have been practising at home! This really helps! Next week, we will also be starting learning hymns and practising for our KS2 Carol Concert which is the following Thursday 8th December! Have a lovely weekend everyone.

Year 4: We have had lots to do this week in Year 4! In literacy, we have been writing up our own tales of fear. The children have had some fantastic ideas and I am really looking forward to reading their final drafts next week. Once we have finished these stories, we will move on to writing instructions. In maths, the children have been working hard with multiplying 2-digit numbers. Next week, we will move on to multiplying numbers with 3-digits in them. The more practice the children have with their times tables, the easier these tasks will become. As we get closer to Christmas, we have started to think about Mary and the trust that she had in God. To do this, we read the story of the Annunciation. Thank you to everyone who has donated items for our class Christmas hamper; your help is very much appreciated! Our school Christmas fair is this Sunday from 11:30am – 2:30pm and it would be lovely to see you there with the children to support the school. I hope you have a lovely weekend!

Year 5: We've been really busy this week getting ready for the Christmas Fair on Sunday and working hard during our lessons. In our Literacy lessons, we have finished our work on explanations texts and the children wrote some really impressive explanations about why we experience night and day. In Maths, we have been exploring prime, composite, cube and square numbers – homework is related to this! This coming week we will be looking at narrative writing and in Maths, we will be multiplying 3 and 4 digit numbers by a single digit. Times tables practice is again essential and the children have cards for the 8 x table to learn over the weekend. We will begin our rehearsals for the Carol concert which will be held on the evening of the 8th December. Have a great weekend and I hope to see lots of you on Sunday at the Christmas Fair.

Year 6: Thank you to all the parents who have sent generous contributions for our hamper for the Christmas Fair; it looks amazing! In school next week, we will begin to turn our thoughts to Christmas: the children will start to learn the words for carols and we will be choosing roles for the Carol Service in Church. We try very hard to accommodate the children's wishes, but occasionally some may be disappointed; we can only choose one Mary/Joseph! Learning in maths and Literacy continues. In maths we will be looking at what we can do with remainders when we divide, and in literacy, we will be starting a new narrative unit of work. In RE, we will continue learning about justice, and how people like Martin Luther King fought for justice in their lives. Have a great weekend!
