The Giving Machine

If you are using an Apple product to do online Christmas shopping, please consider downloading The Giving Machine App. You can then sign up and search for Warley Primary (Friends of) and the FoW will receive a donation every time you shop with certain companies. It won't cost you a thing! All you have to do is go on to the app and then search for the store that you want. There are so many retailers linked to The Giving Machine such as Argos, Next, Amazon and Ebay. Also, if you are thinking about booking a holiday for 2017, Thomas Cook are also on there and give a fantastic %! It's such a simple way for the school to earn money!

Family Friday

Thank you to all parents and family members who attended Family Friday in Reception class on Friday of last week. Mrs Smith was really pleased with the number of parents who were able to attend. We received lots of positive feedback from parents and grandparents. Well done and thank you to Mrs Smith who arranged lots of lovely activities for the children and visitors.

Clubs

All internal clubs will end this week. There will not be any clubs run by the class teachers next week due to our Christmas performances. A new set of clubs will begin after Christmas. External clubs may have different end dates, please speak to the club provider.

Safeguarding your child from sexual abuse

As you will be aware there has been lots of news coverage recently about historical sexual abuse of young people. Unfortunately the number of sexual abuse cases reported to the police is still rising each year. We have been made aware by a safeguarding charity of a useful BBC article about discussing this issue delicately with young children to ensure that children have the confidence to speak up if they have any concerns or worries. Last year we completed the NSPCC Pants campaign with the children. The link to the article can be found below:

Christmas card Success!!

We have recently entered two Christmas card competitions. One was to design a card for the Mayor of Brentwood and the other was to design a card for MTR Crossrail. Both cards are to be used as the official Christmas cards for these organisations. The entries from our school were up against entries from a number of other schools in Brentwood and, in the case of the Crossrail

competition, schools from many of the London Boroughs. I'm very proud to say that Shawn Musumhi in Year 3 won the Mayor's competition and Hannah Bryant in Year 5 won MTR Crossrail's competition. Well done to both of these talented artists!!
