Newsletter 13

December 9th 2016

Mrs Britton's class have been finishing their work on Greek temples.

They enjoyed designing and making their own model temples.

Today, the children have been problem solving outside.

Some of the children practised using grass skis to learn more about working as a team. Thank you to Mr Lake for organising the problem solving!

We are still collecting donations of chocolate for the local food bank. Reverend Rick will be collecting items after his Collective Worship on Wednesday 14th December. Thank you.

To support 'Save the Children' we will be collecting donations for wearing Christmas jumpers on Friday 16th December.
