

Dalton St Michael's C.E. Primary School

Newsletter 12

December 2nd 2016

The beginning of December has seen us preparing for Christmas. Class one began this special time by leading Collective Worship last Friday and explaining about advent.

This week, Class one have been busy writing letters to Father Christmas. Mr Atkins was really pleased with their skills in writing and how they included thoughtful comments about other people.

Miss Dowling's class have been so excited each morning to find out about the antics of their 'elf on the shelf'. Today he was found with a 'HELP' sign enclosed in a glass jar. The children are already wondering where he will be next week.

Mrs Britton's class have been making mosaic tiles linked to their work on 'Faster, Higher, Stronger'. This was the end product in a series of lessons linking different parts of the curriculum. Their work is proudly displayed in their classroom.

We are still collecting donations of chocolate for the local food bank. Reverend Rick will be collecting items after his Collective Worship on Wednesday 14th December. Thank you.

To support 'Save the Children' we will be collecting donations for wearing Christmas jumpers on **Friday 16th December.**

Please try to support our children at the all age Worship on Church on **Sunday morning at 11am.**

Stars of the Week

Reception: **Kendall** for super reading *and* for writing brilliant sentences using her phonics skills

Year one: **Jacob** for a brilliant letter to Father Christmas

Year two: **Finley** for making amounts of money using different coins

Year three: **Bessie** for fantastic writing about 'Dalton' - our 'elf on the shelf'

Year four: **Caitlen** for having lots of bright ideas during our Science lesson on light

Year five: **Milly** for great perseverance in Maths problem solving

Year six: **Elijah** for great design work in computing

Attendance

Class 1 with 98.82%
