What a great term!

It has been a remarkable and busy term. The children have made great progress with their learning and they have excelled themselves at every opportunity from netball matches to nativity performances.

Thank you for your tremendous support and we hope that you have a safe, happy winter break. We shall look forward to seeing you all at 8:45 on Tuesday 3rd January.

If any children are lucky enough to be given new football boots for Christmas, we would be very grateful for any old boots for children who don't have any.

Staff updates for 2017

- *Miss Nutt will teach Robins on Wednesdays as Miss Crowley is reducing her hours to a 4 day week
- *Mrs Hardingham will increase her ELSA responsibilities whilst Mrs Tedd is away
- *Mrs Harris and Mrs Fielding will not be in school on 3rd, 4th, 23rd, and 24th January as they are participating in phonics training
- *Ms McMorrin will be the new Infants' Special Needs Co-ordinator following Mrs Warren's retirement

We must congratulate Mrs Nicholson and her staff as they were awarded the highest possible score for kitchen hygiene in an unannounced inspection.

Governor news

It has been a privilege to serve the Manor Fields community for the past four years as a Parent Governor and it is with great delight that I shall be taking the role of Chair as we move into 2017.

We have a fabulous team of families, carers, staff, governors and children at this school and so much to be proud of as we reflect on 2016. This term, our incredible Year 6 children performed beautifully on "Children in Need" and our infants were enthusiastic throughout their "Wriggley

Nativity" which brought a tear to many an eye.

We must also thank the Home School Association who, with amazing support from yourselves, raised an incredible £1936 for our children. On behalf of the Governing Body may I take this opportunity to wish you all a safe, peaceful Christmas and a very happy New Year!

Anna Dobie, Chair of Governors
