Christmas Production - Bluebell MOT and Service Centre Present "Annie"

Tickets for the junior production were snapped up early and I am aware that there are some disappointed parents who missed the deadline for the two ticket allocation.

I am anxious to avoid the bad feeling and arguments that can damage our valued home school relationship and spoil what should be a happy event.

We are therefore going to lose our Thursday afternoon rehearsal time and make this the performance for KS1 and reception children. THIS WILL RELEASE AN EXTRA 50 TICKETS FOR THE FRIDAY MORNING PERFORMANCE.

A max 2 tickets will go first to KS2 parents with no tickets, then to those on the reserve list. The tickets must be applied for using the slip overleaf. THERE WILL BE NO ENTRY ON THE DOOR WITHOUT A TICKET. THERE ARE NO EXTRA TICKETS FOR THURSDAY EVENING.

Children should arrive for dressing at 6pm and we will be finished at approximately 8pm. All children must be collected after the evening performance from the hall and if anybody other than a parent is to collect we must be notified in writing.
