

Dalton School

Children in Year two had a very enjoyable and informative morning taking part in the 'Hope Journey'. They worked with other children, from schools within the Parish, at Up Holland Methodist Church.

They met the characters 'Mary' and 'Joseph' who were able to tell the children all about their journey to Bethlehem. The children were enthralled to hear about the commotion as they entered Bethlehem. They particularly enjoyed learning about the contents of the stable.

They met an innkeeper and a grumpy donkey who were able to tell the children all about the birth of Jesus.

They also met the shepherds and heard all about their visit from Angel Gabriel. The children even held the shepherds' crooks.

The children spoke to two of the Wise Men who were able to tell the children all about their particular experience when meeting King Herod!

We had a delightful morning and this really brought the story of the Nativity to life. Thank you to all involved!

All the children in school took part in our Nativity performances.

Mr Attkins' class acted out the story and joined in all the singing.

The narration was completed by Robyn, Amara and Lucas.

The choir comprised of our Key Stage two children.

Thank you to everyone who supported at these events.
